Division Description

The State Department of Education is an executive agency of the State Board of Education and is established pursuant to Section 33-125, Idaho Code. The State Superintendent of Public Instruction serves as the executive officer of the department and has the responsibility for carrying out policies, procedures, and duties authorized by law or established by the board for all elementary and secondary school matters. To align the budget publications with Section 33-125, Idaho Code, legislative publications will be displayed as the Department of Education starting in 2021; the agency was formally listed as the Superintendent of Public Instruction.

During the 2020 legislative session, the Legislature established and funded a second program in the department for student services. There are two appropriated programs in the department.

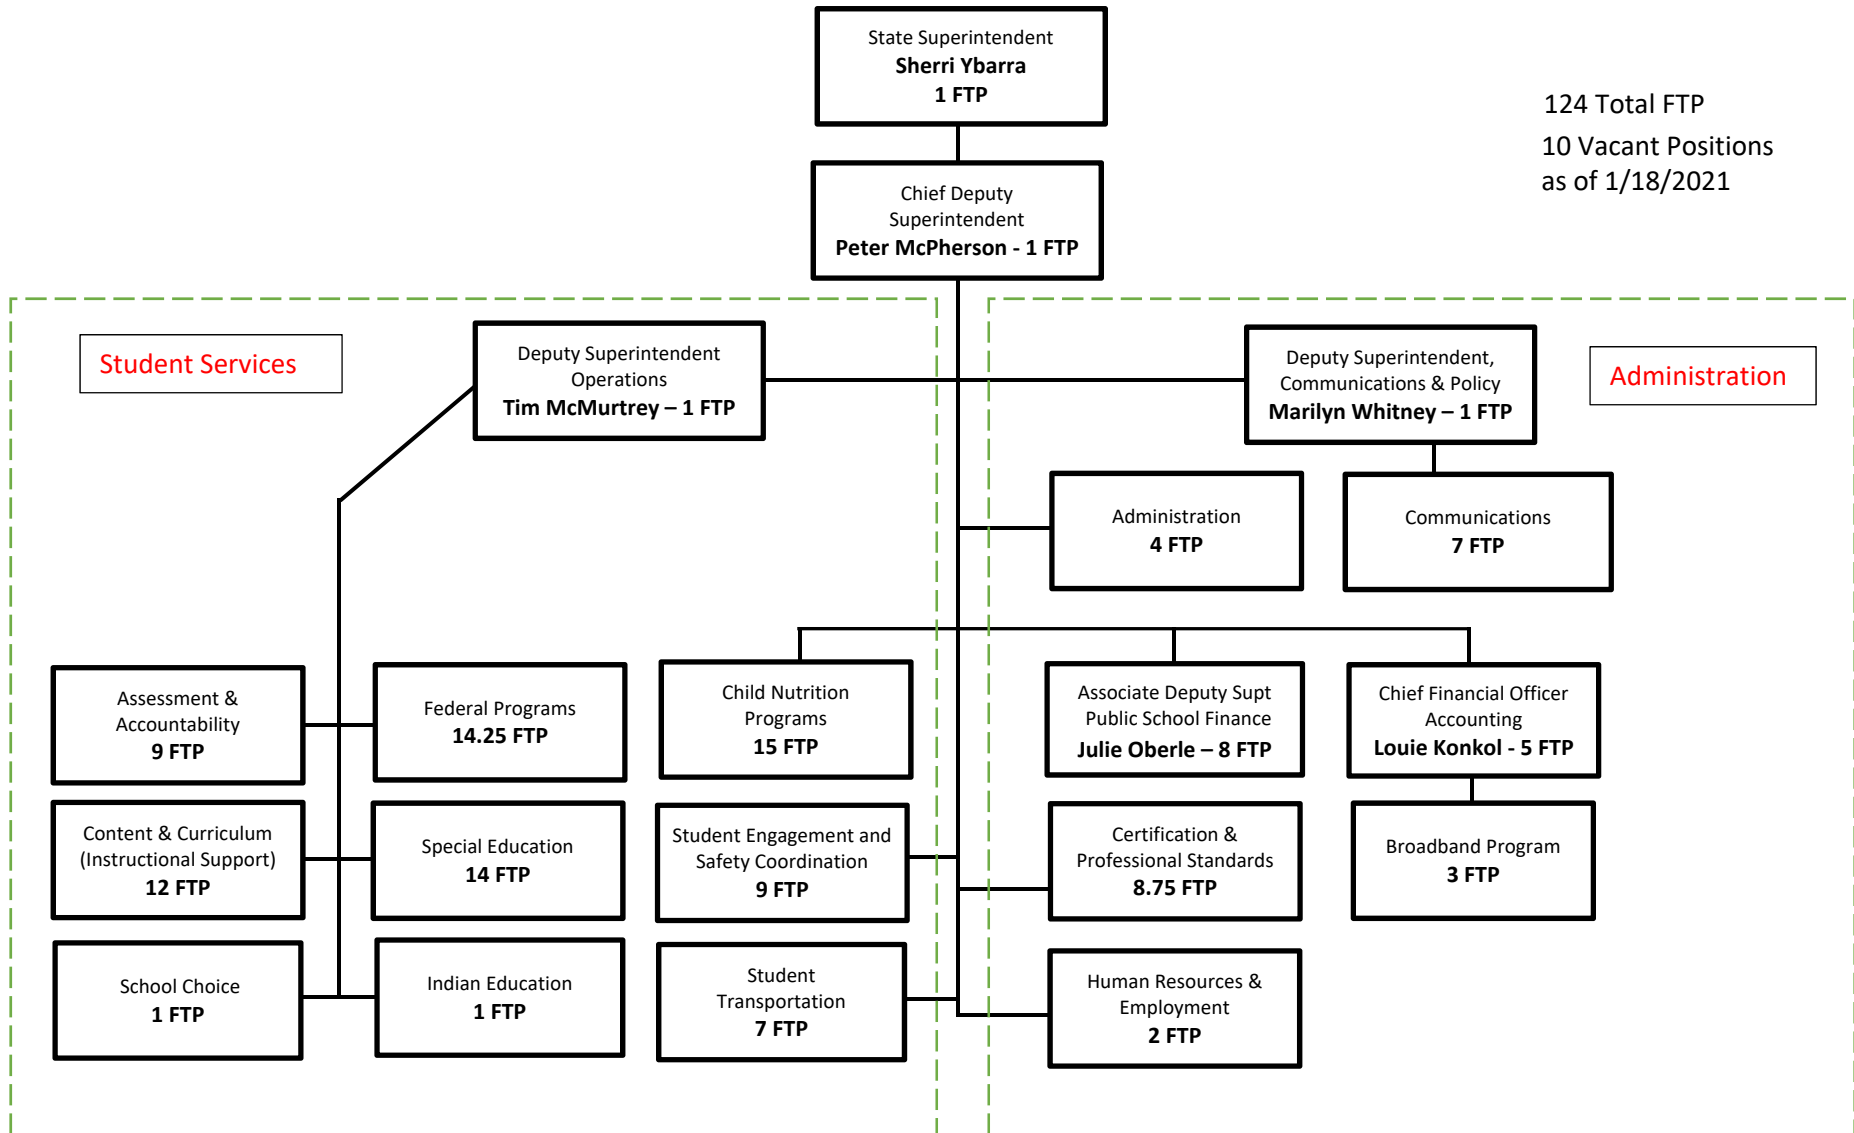

1) Administration Program: Includes the functions of Accounting, Certification and Professional Standards, Communications, Human Resources, and Public School Finance.

2) Student Services: Includes the functions of Assessment and Accountability, Child Nutrition Programs, Federal Programs, Indian Education, Instructional Support for Student-Centered Learning, Safety and Student Engagement, School Choice, Special Education, and Student Transportation.

Assessment and Accountability

The State Department of Education is responsible for a number of student assessments and accountability efforts. These include the following:

1. The Idaho Standards Achievement Test by Smarter Balance® (ISAT) that is aligned to the Idaho Content Standards in English/Language Arts (ELA) and Mathematics. The ISATs are administered in grades 3-8 and grade 10, and include interim assessments and the Digital Resource Library.
2. The Idaho Standards Achievement Test, which is aligned to the Idaho Content Standards in Science. Science assessments are administered in grades 5 and 7.
3. The Idaho Alternate Assessment (ISAT – ALT) in English/Language Arts, Mathematics, and Science. The ELA and Math tests were developed by the National Center and State Collaborative for students with the most significant cognitive disabilities and administered in grades 3-8 and grade 10. The alternate assessment in Science is a student portfolio completed in grades 5, 7, and 10.
4. The Idaho English Language Proficiency Assessment (ELPA) is the English language proficiency assessment administered to students in Kindergarten through grade 12 who have been identified as English Learners.
5. Idaho Reading Indicator (IRI), a screener and diagnostic assessment to determine early literacy skills, is administered in grades K-3.
6. Civics Assessment, which is administered any time after the grade 7, and is documented on the student transcript for the graduation requirement.
7. Biology End of Course Assessment, is tested after the completion of a high school biology course.
8. Chemistry End of Course Assessment, is tested after the completion of a high school chemistry course.
9. SAT, which is administered by the College Board in grade 11.
10. PSAT, which is administered by the College Board, and is traditionally given in grade 10.
11. National Assessment on Educational Progress (NAEP): Reading and Math assessments administered to a sample of Idaho students in grades 4, 8, and 12.

Benefit Costs

Employer-paid benefit changes include an 11% increase (or \$1,280 per eligible FTP) for health insurance, bringing the total appropriation to \$12,930 per FTP. Also included is a restoration of the unemployment insurance rate, a partial restoration of the unused sick leave rate, and adjustments to workers' compensation that vary by agency.

1. Prof Development - K-3 Disabled Students

Student Services

The Department of Education requests \$819,700 in ongoing federal fund appropriation to implement a new multi-year federal State Personnel Development Grant (SPDG) for professional development services aimed at improving the delivery of reading instruction to K-3 students with disabilities. This is the same amount of funding that was approved for a noncognizable adjustment in FY 2021. Grant distributions vary by year and anticipated distributions are: \$819,700 for FY 2021 (see noncognizable adjustment above); \$616,800 for FY 2022; \$745,600 for FY 2023; \$830,300 for FY 2024; and \$914,200 for FY 2025. Grant requirements include the state spending at least 90 percent of awarded funds on professional development activities, including the recruitment and retention of qualified special education teachers, and no more than 10 percent on state activities. State activities may include reforming special education and regular education teacher certification (including recertification) or licensing requirements and carrying out programs that establish, expand, or improve alternative routes for state certification of special education teachers.

2. ID-AWARE - Rural Mental Health Clinicians

Student Services

The Department of Education requests \$1,202,000 for the ID-AWARE Project (discretionary) grant with the objective of building a sustainable framework that will embed mental health clinicians in rural schools and improve school climate. This is the same amount of funding that was approved for a noncognizable adjustment in FY 2021. Grant distributions vary by year and anticipated distributions are: \$1,202,000 for FY 2021 (see noncognizable adjustment above); \$1,221,200 for FY 2022; \$1,166,500 for FY 2023; \$1,169,500 for FY 2024; and \$1,068,600 for FY 2025. The total five-year grant is for \$5,827,771; does not require a match from the state; will be piloted with three local education agencies (LEA) of Glens Ferry, Kimberly, and Marsing; and will serve about 500 people per year or 2,050 over the life of the grant. Funding is provided by the Substance Abuse and Mental Health Service Administration (SAMHSA). The grant will address three goals: 1) develop a sustainable infrastructure to coordinate mental health services for youth in the LEA; 2) expand access to mental health services by embedding trained clinicians and family counseling in each LEA; and 3) train school staff to foster safe and healthy environments within schools, families, and communities. According to grant materials Idaho's rural schools have an average student-to-counselor ratio of 400 to 1, in 2018 Idaho youth ranked third in the nation for suicide deaths per capita, families have higher poverty rates, lack comprehensive health care, and experience shortages in qualified health care, especially mental health care providers.
